Dear Sir:

We have just become aware of a badge presented to various men who acted as the President's guards at Brule during the summer of 1928. We would very much like to get a specimen of this for our Museum. We have represented in our collection all of the service medals, badges and decorations issued by the Government. The Army, the Navy, and the Marine Corps have all supplied us or given us permission to order any badges that we have not obtained otherwise.

Any expense connected with this, we would be glad to pay.

Very truly yours,

Howland Wood
